

THERE'S AN EASIER WAY TO STAY CONNECTED.

One number

for home,

for work,

for you,

for life.

POLESTAR

your intelligent agent

WITH ONE NUMBER YOU CAN BE REACHED ANYWHERE, ANYTIME, ANYHOW.

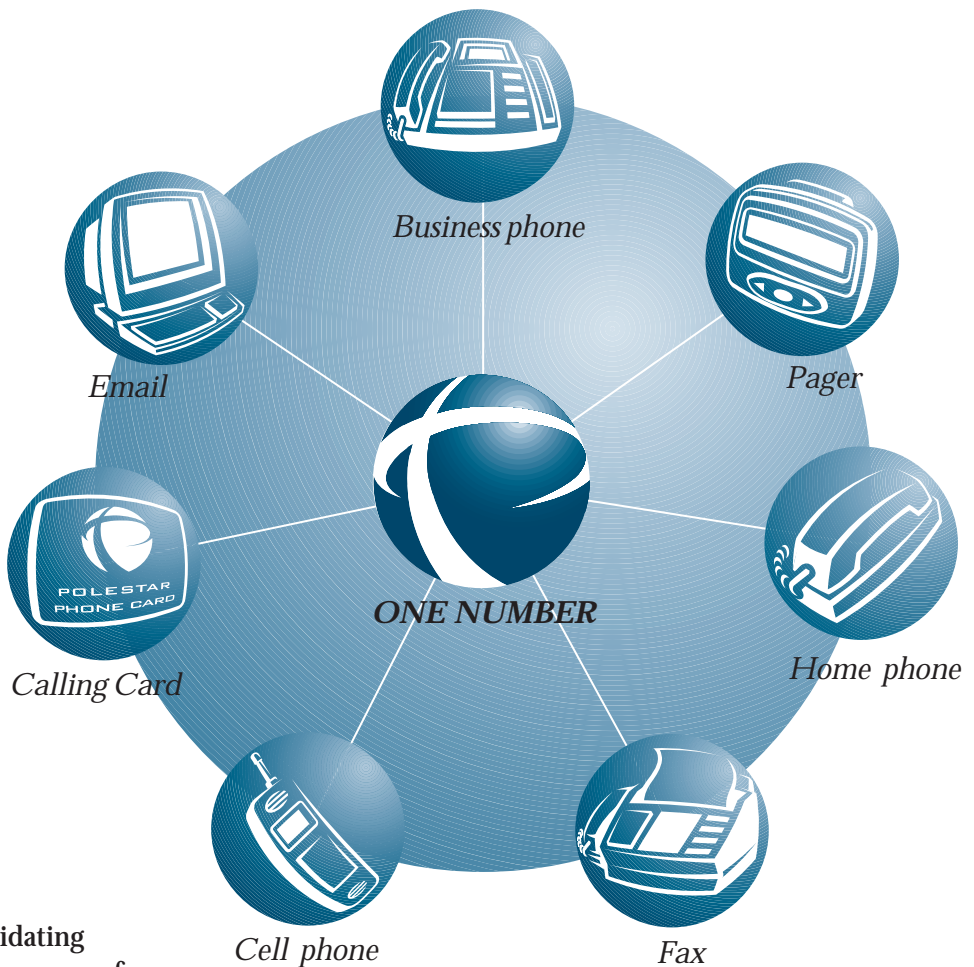

POLESTAR: YOUR INTELLIGENT AGENT.

How can you stay in touch with callers anytime, anywhere, without losing control? Let them call Polestar, your intelligent agent.

Imagine having only One Number for all your communications needs. Imagine combining the mobility of a wireless phone with the efficiency of the Internet. That's the power of Polestar, your intelligent agent.

Having Polestar means more than consolidating your phone, fax, pager, and email. It means peace of mind. It brings calm to chaos. Because with your Polestar intelligent agent, you are in complete control of your communications. Not the other way around.

Polestar. Let them call your agent.

WHAT POLESTAR DOES FOR YOU:

- You have One Number where people can reach you – your Polestar number.
- Polestar finds you at your office, wireless or home – anywhere, anytime.
- Your callers are announced, giving you the freedom to screen your calls or have Polestar take a message.
- Polestar notifies you by page when a voicemail or fax is received.
- Polestar receives and stores your faxes, then gives you the ability to retrieve them at any fax machine, or view them over the Internet. You don't need to go to your fax, Polestar delivers them to you.
- Polestar lets you listen to and view all your voice, fax and e-mail messages over the Internet.
- You no longer need a calling card – simply use Polestar for all your outbound long distance calls and save.
- And much more!

Call or go online today for a complete demonstration of how Polestar can make it easier for you to stay in touch – without rigging a satellite dish to your car.
